About

Fluent in both Hebrew and English, I was born in Israel and had the privilege of growing up abroad.

I have a keen-eye for details, a fast learner, great organizational skills and dedication to my work.

Work Experience

2022 - Presents

Designer / Freelance

Offering a complete package to various clients, from complete branding, to exhibition materials, to presentations and web design.

2022 - 2024

Designer / Marcomit

As part of the studio design team, responsibilities include designing various print and web materials to a variety of industries and companies. The design elements were created either building a new design aesthetic or using the company's brand guidelines.

2019-2022

Designer & e-Commerce Manager / IDS Tactical Solutions

Responsibilities include designing the websites and components for the websites. Managing the different marketplaces, inventory, incharge of support and marketing departments.

2016-2019

Designer / Studio Erga

Responsibilities include designing and branding for various clients of the studio, preparing for print, presentation design, and web/mobile adaptation.

2014-2016

Designer / Annie Selby Branding & Design

Responsibilities include designing and branding for various clients of the studio, preparing for print, customer relations, preparing quotes for clients and suppliers, web design and preparing it for coding.

2014

Designer / Studio Artica Design

Responsibilities include designing the graphics for booths according to the given design identity of each company. Production from early authorizations stages to building execution on exhibition grounds.
